BETWEEN

CITY OF OTTAWA

Hereinafter called "the City".

OF THE FIRST PART

AND

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 5500

Transit Safety and Enforcement Employees, hereinafter called "the Union".

OF THE SECOND PART

WITNESSETH that the parties hereto agree each with the other as follows:

GENERAL

CLAUSE 1 – MANAGEMENT FUNCTIONS

SECTION (1)1 – GENERAL FUNCTIONS

- (1)1.1 The Union acknowledges that it is the exclusive function of the City to:
- 1.1.1 maintain order, discipline and efficiency to make and enforce rules and regulations to be observed by employees.
 - 1.1.2 hire, discharge, classify, transfer, promote, demote, discipline, layoff and recall employees subject to the seniority provisions of this agreement, and to terminate, suspend, demote or otherwise discipline employees for just and sufficient cause, subject to the right of the employee to grieve to the extent and manner provided for herein.
- (1)1.2 Generally to manage and ensure the continuous operation of the public transit enterprise in which the City is engaged and, without restricting the generality of the foregoing, to determine the number of employees on the establishment, the arrangement of its transportation service and the location and type of equipment employed by it, the methods and techniques of work, the extension, limitation, curtailment or cessation of operations.
- (1)1.3 It is understood by the Union that the express provisions of this agreement constitute the only limitation upon the Employer's rights.

(1)1.4 Manner of Exercising Functions

The City agrees that these functions shall be exercised as far as possible in such a manner as to maintain good working conditions and harmonious relations with the Union.

(1)1.5 The decision to fill open work, temporary vacancies (except as provided under Section (3)2.9 - Temporary Appointments) and vacant positions as well as to offer overtime is a management right. The relevant provisions of the collective agreement will apply once management has decided to proceed with work coverage.

CLAUSE 2 - CONDITIONS

SECTION (2)1 – BARGAINING UNIT

(2)1.1 The City agrees to bargain exclusively with the Union in respect to employees of the City forming part of the Bargaining Unit so long as the Union remains the certified bargaining representative. The employees included in the Bargaining Unit are Law Enforcement personnel of the Employer in its Transit Safety and Enforcement Branch, except supervisors, office staff, and those currently represented in other Bargaining Units.

(2)1.2 No employees shall be discriminated against and jeopardized in seniority standing or opportunity for promotion or suffer any loss of employment because of membership or activity in the Union.

(2)1.3 The Union, its members and agents, agree not to intimidate or coerce employees into membership. The Union also agrees not to engage in other activities on City time in such a manner that will interfere with all job functions being performed.

(2)1.4 The Union shall furnish the City with a copy of its constitution together with a list of its officers and shall notify the City promptly of any changes.

(2)1.5 The City agrees to provide the Union with a bulletin board provided that use of such board shall be restricted to the posting of notices regarding the business affairs, meetings, social events of the Union

and the reports of the various Committees of the Union. The Union agrees to submit copies of all materials which are to be posted or distributed on the property, other than notices of meeting, to the Manager, Litigation and Labour Relations or designate for approval before posting or distribution.

(2)1.6 Performance of Transit Law Communication Officer Duties by Transit Safety and Enforcement Management

The parties agree that there are occasions when Management will have to take charge and direct the actions of a Transit Law Communication Officer. These instances will fall into one of the below categories:

- Emergency Crisis Situations;
- An employee is not taking direction from the Transit Law Communication Officer and a higher level of authority is required;

Although Management may have to speak directly to an employee via the control room, they will not displace a Transit Law Communication Officer from his or her duties at any time.

Persons not covered by terms of the Collective Agreement will not normally perform work assigned to those employees who are covered by the Agreement except as listed above or for the purposes of instruction.

(2)1.7 Performance of Special Constable Duties by Transit Safety and Enforcement Management

The parties agree that there are occasions when Management may have to perform the duties of a Special Constable. These instances will fall into one of the below categories:

- Emergency Crisis Situations;
- Management is witness to an event requiring immediate action because of their Peace Officer status;
- A Special Constable requests or requires assistance and/or is not immediately available;

Persons not covered by terms of the Collective Agreement will not perform work assigned to those employees who are covered by

the Agreement except as listed above or for the purposes of instruction. Should Management perform the duties of a Special Constable pursuant to the above listed categories, it will not be to displace or replace a bargaining unit member.

Management acknowledges that the patrol, call response and general investigation function comprises the scope of work performed by members of the bargaining unit and that management will not perform these duties.

If Management is performing the duties of a Special Constable as outlined above, they will cease their actions once a Special Constable is on scene and assist the Special Constable until fully-briefed on the events that have occurred.

- (2)1.8 At the time employees enter the Bargaining Unit, arrangements will be made to permit them to take two (2) hours paid time off to attend a Union orientation session. The timing will be agreed to by the Union and the Employer. This will be arranged as not to interfere with training.
- * (2)1.9 The City will furnish the Recording-Secretary of the Union with a list of the supervisory personnel and a complete Organization Chart in January and July each year and will indicate by job titles the authorities of each person so listed.
- (2)1.10 The City shall provide CUPE Local 5500 with copies of current job descriptions. The Union will also be provided with amended job descriptions as changes are made. The development of job descriptions or amendments to such as well as the rating of job descriptions (new or amended) will be done in accordance with the Joint Job Evaluation Manual of Maintenance as amended from time to time.
- (2)1.11 If a new job is created and falls within the scope of this agreement, the Employer will establish a rate of pay in conjunction with the Union. If the parties are unable to agree on the rate of pay, the dispute shall be submitted to binding mediation/arbitration for resolution. The new rate will become retroactive to the time the new position was created. This clause does not apply to reclassification of existing jobs.
- (2)1.12 Public Reports

The Employer agrees that any public reports or recommendations to be made to any committee dealing with matters covered by this Agreement will be provided to the Secretary of the Union at the union office, at the same time as they are sent to members of the Committee so as to afford the Union reasonable opportunity to consider them, and if necessary, to make its views known to the Committee and City Council. The Employer also agrees to provide the Union with all reports and recommendations to be dealt with by City Council at the same time as they are sent to the members of Council. Should the Union not make its views known prior to the Committee or Council dealing with the report or recommendation, this shall not be construed as concurrence by the Union with the report or recommendation.

(2)1.13 Minimum Staffing Levels

Management will maintain a minimum staffing complement of four (4) sworn Special Constables, including the Team Leader at all times. Management has the discretion to increase the minimum staffing complement as needed.

SECTION (2)2 – CO-OPERATION

(2)2.1 The parties agree to co-operate fully in maintaining an efficient and uninterrupted transportation service and to further harmonious and rational labour relations.

SECTION (2)3 – RENEWAL, DURATION AND TERMINATION

*(2)3.1 This Agreement shall be in effect from the 1st day of April 2018 to the 31st day of March 2021 and shall continue thereafter from year to year, provided that if either of the parties hereto desires to revise or amend this agreement with respect to a year commencing no earlier than the 1st day of April 2021, notice in writing of the proposed revisions or amendments shall be given to the other party not later than the 1st day of January 2021, or any subsequent anniversary thereof.

The parties agree that the effective date of all negotiated changes to the collective agreement will take effect on the latest date of ratification of the collective agreement unless otherwise expressly specified.

SECTION (2)4 – STRIKES AND LOCK OUTS

- (2)4.1 In view of the previous harmonious relations between the parties, it is agreed that during the life of this agreement, or while negotiations for renewal are in progress, there shall be no strikes, slowdowns, stoppages or other interference with the operation on the part of the members of the Bargaining Unit, or any lockouts on the part of the City.

SECTION (2)5 – CONTRACTING OUT

- (2)5.1 There will be no new contracting out during the term of this agreement if such contracting out would result directly in the lay-off of any bargaining unit incumbent of the work contracted out.

CLAUSE 3 – EMPLOYMENT CONDITIONS

SECTION (3)1 – CUPE, LOCAL 5500 WIDE SENIORITY – GENERAL PRINCIPLES

The parties agree that CUPE, Local 5500 wide seniority will apply as follows:

The City and the Union agree to recognize the CUPE, Local 5500 wide seniority principle combined with the following provisions:

- Promotions will be obtained, provided the candidate has the required knowledge, ability and qualifications to do the job. All things being equal, CUPE, Local 5500 seniority shall prevail.
- Layoffs and recalls will be done based on CUPE, Local 5500 wide seniority but with the required knowledge, ability, and qualifications to do the job.
- Overtime, vacation and statutory holidays will be booked by employees in their substantive positions and by classifications based on CUPE, Local 5500 wide seniority, or according to the provisions negotiated between the parties, such as the booking rules.
- CUPE, Local 5500 wide seniority will be used for booking purposes, by classification or bargaining unit, whichever applies currently – prior to date of signing of the new agreements.

SECTION (3)2 – SENIORITY AND CHANGES IN EMPLOYMENT

Seniority

- * (3)2.1 Seniority shall be determined by the date of appointment to a permanent position covered by a CUPE Local 5500 bargaining unit. The City shall provide a seniority list to the Union on or about January 31 and June 30 of each year.

A separate seniority list shall be maintained for temporary employees which will govern seniority among themselves but which will place them behind all permanent employees in order of seniority. However, when an employee becomes permanent, without a break in service of more than 19 days, then his or her seniority shall be determined by the date of hire as a temporary employee within the scope of CUPE, Local 5500.

- (3)2.2 When an employee from outside the CUPE, Local 5500 bargaining units has passed the preliminary examination, he or she shall be considered on probation for a period of twelve (12) months. The employee will be given a minimum of 2 performance reviews during the 12 month period. At the end of the twelve (12) month period, the employee's performance shall be reviewed and, if found satisfactory, seniority shall be established as of the date of appointment in the permanent position covered by the CUPE, Local 5500 bargaining units.

- (3)2.2.2 Where two or more employees have the same amount of CUPE Local 5500 seniority and where circumstances require a tie breaker, then the following tie breakers shall be used in the order indicated:

1st: Length of service with the City of Ottawa or one or more of its predecessor employers, then

2nd: A coin toss by the President of the Local in the presence of the affected members.

- (3)2.3 An employee who obtains a position and/or transfers between any of the three (3) bargaining units represented by CUPE, Local 5500 shall transfer with full seniority, and shall be subject to a trial period as per Clause (3)2.8.

Changes in Employment

(3)2.4 2.4.1 In case of reduction of staff, seniority shall prevail.

2.4.2 In the event a position being eliminated in the Bargaining Unit, all employees shall be rebooked, if required, in accordance with bargaining unit wide seniority and the booking rules.

*(3)2.5 When an employee accepts a permanent position outside of the CUPE, Local 5500 bargaining units and subsequently seeks return to one of the CUPE, Local 5500 bargaining units:

*2.5.1 Such employee will be treated as a non-bargaining unit employee and will have to compete for a vacant position. Previous seniority will not be recognized and seniority will start to accumulate anew upon the date of return to a job in the Bargaining Unit.

*2.5.2 if he or she requests or a return is otherwise arranged within six (6) months or less, he or she will return with the accumulated seniority he or she would have had had he or she not accepted a permanent position, providing the employee continues to pay the equivalent of union dues to the Union. It is the employee's responsibility to make arrangements directly with the Union to pay dues.

*(3)2.6 When a vacancy occurs and no qualified applicant is available, the Employer may consider the most senior applicant who does not meet the required qualifications for the position, and who will meet the requirements of the position within a six (6) month period which may be extended by mutual agreement of the parties. The employee will be given a six (6) month trial period. At the end of the trial period, the employee will be interviewed to establish suitability for the position. If they are not selected as the incumbent, they will be returned to their former position with no loss of seniority.

(3)2.7 Promotions

In the case of promotion, all things being equal, seniority shall prevail.

(3)2.8 Trial Period

A successful applicant from within a CUPE, Local 5500 bargaining unit shall have a trial period of six (6) months during which the Employer will determine if the employee can satisfactorily perform the job.

Within this period, the employee may voluntarily return, or be returned by the Employer, to the position formally occupied without loss of seniority. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned, based on the applicable provisions of their collective agreement, to his/her former position and salary.

*(3)2.9 Temporary Appointments

When an employee is transferred to or accepts a temporary position within or outside the Bargaining Unit, seniority shall continue in the former position until the employee returns to his or her former position or the temporary position becomes permanent, providing the employee continues to pay the equivalent of union dues to the Union.

Employees appointed into temporary positions retain the right to return to their substantive position for two years or for up to three years if appointed to projects with a time-limited duration unless their position has been declared redundant.

The Employer will make every reasonable effort to backfill temporary vacancies created as a result of the employee taking on a temporary appointment into another job.

*(3)2.10 Conditions Pertaining to the Special Constable Program

This provision should be read in conjunction with Clause 18 – Transit Law Enforcement Officer, Property Protection Officer and Working Supervisor Provisions.

The encumbered Transit Law Enforcement Officer (TLEO) positions will be deemed transformed into Special Constable positions for the duration of the program. It is further understood that the TLEO positions will remain within CUPE 5500 scope and will be re-enacted at the end of the Special Constable program.

An employee whose designation as Special Constable is revoked, except where the program is terminated, and whose employment is not terminated as a result of that revocation will not be allowed to continue to work as a Special Constable and will not have the right to return to the job of Transit Law Enforcement Officer or Working Supervisor, Transit Safety and Enforcement but may otherwise exercise their rights under the Collective Agreement.

(3)2.11 The City will provide a Retirees list every January.

SECTION (3)3 – LAY-OFF AND RECALL

(3)3.1 For the purposes of this clause, a lay-off is a temporary or permanent cessation of work instituted by the City.

(3)3.2 The provisions of this clause do not apply to temporary or probationary employees.

*(3)3.3 Where the City determines that there will be a layoff, a minimum of 120 calendar days notice will be provided to the Union. During this period, the City and the Union will meet to discuss alternatives to the layoff.

(3)3.4 The City will advise the affected employee(s) in writing, with a copy to the Union prior to a lay-off. For employees with three (3) years of service or less, such notice will be four (4) weeks. Where the lay-off is indefinite or for a period of twelve (12) weeks or greater, or where the employee has greater than three (3) years of service, the notice period shall be six (6) weeks. Such notice of lay-off will include the duration of the lay-off.

(3)3.5 In the event of a lay-off, employees shall be laid off in the reverse order to their seniority provided the remaining employees have the required knowledge, ability and qualifications to do the work.

(3)3.6 In the event of a lay-off, employees affected shall, where positions are available, be given the opportunity to revert to a vacant position, provided the employees affected have the required knowledge, ability and qualifications to do the work. In the event no such vacant positions are available, the employee affected shall be given an opportunity to bump employees whose positions are in another classification, either within the same bargaining unit or other CUPE, Local 5500 bargaining unit, provided the employee affected has the

required knowledge, ability and qualifications to do the work of the position as determined by the Employer.

- (3)3.7 Employees who have been displaced as a result of employees exercising their seniority rights as set out in clause (3)3.6 above may exercise their seniority rights in the same manner within five (5) days after being notified by the City that they have been displaced.
- (3)3.8 If a position covered by CUPE, Local 5500 collective agreements becomes open, employees on lay-off shall be recalled in order of their CUPE, Local 5500 seniority, to their own position, or to another position provided the employee affected has the required knowledge, ability, and qualifications to do the work of the position, as determined by the Employer. The Employer's obligation to recall shall expire two (2) years from the date of the original lay-off.
- (3)3.9 When an employee is recalled to his position or to another position for which the employee has the required knowledge, ability and qualifications to do the work of the position, as determined by the Employer, and the employee refuses the position, the Employer's obligation towards this employee will be deemed to have expired.
- (3)3.10 It is the responsibility of every employee to notify the Employer promptly of any change of address, telephone number and E-mail. If an employee fails to make this notification to the Employer, the Employer shall not be responsible for the failure of notice of recall.
- (3)3.11 Employees on lay-off shall be recalled in the order of their seniority on a CUPE, Local 5500 wide basis to a position of equal to or less than that classification they occupied at the time of lay-off provided they meet the criteria outlined in article (3)1. If an employee's former position/job becomes available and if the employee has been recalled to a lower classification, such employee will be given first priority for reinstatement to that position/job.
- (3)3.12 An employee who fails to report to work after having been notified of a recall to work following a layoff shall be deemed terminated, unless the employee has a reason acceptable to the Employer.

SECTION (3)4 – SEVERANCE PAY

- (3)4.1 Should the employee not exercise his/her rights under article (3)3.6, then the employee shall be entitled to the separation allowance outlined in this Collective Agreement as well as notice or pay in the lieu of notice of:
- 4.1.1 More than one (1) year, but less than three (3) years of service – two (2) months;
 - 4.1.2 More than three (3) years, but less than five (5) years of service – three (3) months;
 - 4.1.3 More than five (5) years, but less than ten (10) years of service – four and one-half (4 ½) months;
 - 4.1.4 More than ten (10) years, but less than sixteen (16) years of service – seven (7) months;
 - 4.1.5 More than sixteen (16) years, but less than twenty (20) years of service – ten (10) months;
 - 4.1.6 More than twenty (20) years of service, but less than twenty-five (25) years of service – fourteen (14) months;
 - 4.1.7 Twenty-five (25) or more years of service – eighteen (18) months.
- (3)4.2 Payment shall be made at the rate of pay the employee was earning when the position was made redundant.

SECTION (3)5 – TECHNOLOGICAL CHANGES

- (3)5.1 In the event that the introduction of new technology, methods of operation have the effect of requiring the lay-off of existing employee(s), the City shall endeavour to make changes in such a way that there will be the least possible hardship to employees. The City agrees to give notice to the employees and the Union at least a hundred and twenty (120) days prior to the date on which the technological change is to be effected. Either before or at the time of such notice, the parties shall meet and discuss the planned proposal prior to its introduction. The City further agrees that as far as it is reasonably practicable to do so, it will offer training opportunities to those employees displaced. In the selection of employee(s) for

training as a result of displacement caused by technological changes, assignments shall be made with due regard to ability, skill and seniority and the successful completion and passing of required tests.

(3)5.2 In the event of a position becoming surplus or redundant due to technological or organizational change, the Employer agrees to the following provisions:

- 5.2.1 to meet with the Union as far in advance as possible to discuss the impact of the change;
- 5.2.2 the provision of a training allowance to five thousand dollars (\$5,000.00) per member;
- 5.2.3 the provision of a résumé service;
- 5.2.4 the provision of one (1) month of outplacement counseling.

SECTION (3)6 – LEAVE OF ABSENCE; MATERNITY (PREGNANCY) LEAVE; SPECIAL LEAVE; PARENTAL LEAVE AND ELECTED OFFICE LEAVE

(3)6.1 Leave of Absence

6.1.1 The City may grant an employee, upon written application, one leave of absence without pay in any calendar year. In exercising its discretion, if management refuses the leave of absence, the employee will be given the reasons for the refusal in writing. Such leave of absence shall not exceed twenty (20) working days without loss of seniority except for employees who may at the time be members of a committee, or officers of the Union or delegates to a convention of the Union. Employees with more than ten (10) years of service with the City may be granted up to forty (40) working days leave of absence without pay and without loss of seniority. If such leave of absence is granted by the City, it shall be confirmed in writing. During the first twenty (20) working days of leave of absence the employee shall be regarded as on temporary absence and various group benefits shall be continued during that period with the employee paying the required employee portion of premiums or contributions. After twenty (20) working days, all benefits participation is suspended. However, the employee may continue Life Insurance coverage by

reimbursing the City the cost of these premiums. The period of absence shall not count for service for vacation, sick leave or any other entitlement. Failure of the employee to return to work by the date agreed upon when the leave of absence was granted shall be sufficient cause for termination of employment.

6.1.2 It is understood that leave of absence granted in accordance with (3)6.1.1 will not be considered lost time towards the attendance management program.

6.1.3 All employees are entitled to apply for a Leave of Absence in accordance with City of Ottawa policies.

(3)6.2 Application for Leave

Employees wishing to take Leave of Absence, Maternity (Pregnancy) Leave, Parental Leave, Elected Office Leave, Special Leave, or Bereavement Leave or apply for Sick Leave must apply through their Supervisor, in advance when appropriate, using the appropriate City of Ottawa leave application form.

(3)6.3 Maternity (Pregnancy) Leave

6.3.1 Employees who are pregnant and who have been employed with the City for at least thirteen (13) continuous weeks prior to the expected date of birth are entitled to take Maternity (Pregnancy) Leave.

6.3.2 Maternity (Pregnancy) Leave will be granted in accordance with the Maternity Leave provisions of the Canada Labour Code, except where amended by this provision.

6.3.3 The employee shall give written notification to the City at least four (4) weeks in advance of the commencement of such leave. Such notification shall include the expected date of return. At such time, she shall provide the City with a certificate of a legally qualified medical practitioner stating the expected birth date of the child.

6.3.4 An employee wishing to alter the commencement date of Maternity (Pregnancy) Leave must confirm such request, in writing, at least four (4) weeks prior to the earlier start date,

or if a later commencement date is required at least four (4) weeks prior to the original planned leave date.

- *6.3.5 During the Employment Insurance waiting period and the fifteen (15) weeks that the employee is eligible for Employment Insurance Maternity (Pregnancy) Leave benefits, an employee who is on Maternity (Pregnancy) Leave, who has completed six (6) months continuous service on the date on which the leave began and who has applied for and is in receipt of Employment Insurance Benefits, pursuant to the Employment Insurance Act, shall receive payments from the Supplementary Employment Benefit Fund to bring her combined E.I. and Supplementary Unemployment Benefit Plan (S.U.B.P.) payments to ninety-three percent (93%) of her normal pay. The "top-up" benefit will be the difference between ninety-three percent (93%) of the employee's normal weekly salary (based on eighty (80) hours biweekly) and the sum of the Employment Insurance Benefits and all other earnings. Such payment shall commence upon receipt by the City of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance Maternity (Pregnancy) Benefits.

(3)6.4 Parental Leave

- 6.4.1 Employees who have been employed with the City for at least thirteen (13) continuous weeks and who are the parent of a child following the birth of the child, the adoption of the child, or the coming of the child into the employee's custody, care and control for the first time, will be granted parental leave in accordance with the provisions of the Canada Labour Code, except where amended by this provision.
- 6.4.2 The employee shall give written notification to the City at least four (4) weeks in advance of the commencement of such leave. Such notification should include the expected date of return.
- 6.4.3 If the child comes into the employee's custody, care and control for the first time earlier than expected, the parental leave will commence on the day he/she ceases work. The

employee shall then provide written notice to the City within two weeks after commencing such leave.

LETTER OF UNDERSTANDING #1

**BETWEEN
CITY OF OTTAWA**

AND

CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 5500

RE: PRE-1981 PENSIONABLE SERVICE

The parties agree that upon the latest date of ratification of the collective agreement the following amendments will be made to the OC Transpo Employee Pension Plan ("Pension Plan").

1. Pre-1981 service shall be improved to the same basis as post-1980 service for the purposes of all Pension Plan benefit calculation. For greater clarity, this clause will result in all pre-1981 benefits being calculated on a final average earnings basis at all future points in time.
2. This amendment shall apply retroactively to all Pension Plan members who have retired since January 1, 2000, and any of their beneficiaries.
3. In the event that this amendment results in the Pension Plan having a solvency deficiency as defined in the Pension Benefits Standards Regulations, 1985 as at the date on which the next actuarial valuation report is required to be prepared, any such deficit will be handled as follows:
 - a. The City of Ottawa will amortize any deficit over five (5) years, or such longer period, as may be permitted under applicable law.
 - b. Any actuarial gains experienced by the Pension Plan will be first applied to the deficit during the amortization period.
 - c. Any deficit payments made by the City of Ottawa to the Pension Plan will be carried forward as a plan expense at an interest rate equivalent to the greater of the pension fund rate of return and [a CANSIM long-term bond rate to be agreed by the parties] in effect at the beginning of each month commencing from the deficit payment date. The City of Ottawa's entitlement to be paid the accumulated amount of the deficit payments plus interest will be the first call on any surplus in the event of the wind-up of the Pension Plan.

4. Subject to the requirements of applicable law, on the wind up of the Pension Plan, the portion of the wind up surplus attributable to the liabilities of those Pension Plan members who were members of CUPE, Local 5500, if any, shall be subject to the City of Ottawa's entitlement set out in paragraph 3 (c). Any remaining surplus shall be divided in accordance with the terms of the Pension Plan.

The parties agree that upon ratification of this agreement, the following amendment shall be made to the OCTP:

1. Effective January 1, 1999, the responsibility for the accruing all future pension responsibility shall be transferred to OMERS. Shortly after ratification of this agreement, Payroll will be refunding all pension contributions deducted in 1999.
2. All past service responsibilities including responsibilities for current pensioners, surviving spouses, and deferred pensioners which shall be transferred to OMERS provided the Pension Regulating Authorities allow.
3. In transferring past responsibilities it is agreed and recognized that there shall not be reduction of any pension benefits and rights accrued to any of the members of OCTP including those of retirees.

 - a) All pension accruals earned prior to 1981 shall be upgraded to current service.
 - b) The integration of Canada Pension Plan (CPP) benefits at age 65 shall be calculated on the more attractive OMERS Formula – five (5) year CPP average instead of the present three (3) year CPP average.

- c) Upon the death of active contributors and current pensioners, eligible surviving spouses shall receive the more attractive OMERS benefit – sixty six and two thirds percent (66 2/3%) to one hundred percent (100%) of the deceased member’s pension instead of the present fifty percent (50%) formula.
- 5. Upon completion of the transfer of past service responsibilities, the parties agree that any remaining surplus shall be shared by the Employer and the members of the OCTP on 50/50 basis.
- 6. The remaining “employee” share of any surplus shall be distributed to the active members of the OCTP as of December 31, 1998. A sub-committee of the Corporate Pension Committee shall address the issue of distribution and shall be assisted by the Plan Actuary in consultation with the appropriate Pension Regulating Authorities. If permissible by the Pension Regulating Authorities, the Union may direct their memberships portion of any surplus payable to their members differently from the other Bargaining units or staff associations.
- 7. In the unlikely event that the Pension Regulating Authorities do not allow all past service responsibilities in the OCTP to be transferred to OMERS and the OCTP is not “wound up”, the Employer agrees not to remove any fund surplus from the plan without agreement of the Union.
